

## THE EL SHADDAI PROVISION PRAYER

Dear Heavenly Father,

I (we) come boldly to You, in the Name of Jesus, to obtain mercy and find grace to help in our time of need. Thank You, God, for your promise to provide and supply all **my** (our) needs according to Your riches in Glory by Christ Jesus, as it says in Philippians 4:19. You have made **me** (us) self-sufficient in You and abounding to every good work, according to 2 Corinthians 9:8, for I (we) have a New and Everlasting Covenant with You.

In the Name of Jesus, I (we) believe that Your Word is true. I (we) thank You for providing the amount of money I (we) need to withdraw in the amount of \$ \_\_\_\_\_ from **my** (our) Divine Account from the Bank of Heaven, for this month of \_\_\_\_\_ of \_\_\_\_\_ (year).

I (We) also thank You, Lord, El Shaddai, God Almighty for also being **my** (our) Jehovah Jireh, **my** (our) Divine Provider, who supernaturally provides **me** (us) with divine funds and divine provision.

I (We) will also withdraw additional funds and provisions at any time the need arises to cover any items which may be over the amount requested above. I (we) believe that I (we) have already received all the needed funds and provisions when I (we) asked for them as it says in Mark 11:24. These benefits are based on all the scriptures mentioned in this El Shaddai Provision Prayer.

Thank You, Lord, that Your Word promises to continually bless **me** (us) in **my** (our) storehouse (savings account/s) and **my** (our) basket (checking account/s), according to Deuteronomy 28:5; Deuteronomy 28:12; and Proverbs 3:10. This also means that I (we) decree that **my** (our) barns (cupboards/storage areas) are filled with plenty; and God blesses all the works of **my** (our) hands as well. Furthermore, Proverbs 13:22 says that a good person should have a heritage to pass on to his/her grandchildren. In obedience to Your Word, I (we) **am** (are) building up **my** (our) net worth. I (We) thank You that abundant wealth and riches are always in **my** (our) home, as it says in Psalm 112:3.

I (We) thank You, Heavenly Father, that Jesus paid the price that I (we) may live every day and every year in Jubilee, debt free. Thank You, Lord, for bestowing to me (us) Your prosperity. Amen!
